### Honors Spanish IV Summer Assignment

Queridos estudiantes,

Bienvenidos to Honors Spanish 4! I am looking forward to all that we will learn together next year. It is especially important that you start strong this fall, so throughout the summer you need to learn, review and/or practice some essential information that you have learned so far. For this reason, **on the first day of school you will be asked to submit the language lab log** that you received on the last day of class. Moreover, **when you return in the fall you will be quizzed on the list of regular and irregular verbs** that you also received. **These quizzes may not be retaken. It is also important that you continue reviewing the irregular verb conjugations in the present and simple past tenses.** If you did not receive a language lab log, the list of verbs, and/or if you need additional copies of the conjugation worksheets, please contact Mrs. Qahoush at [lqahoush@dominionschool.com](mailto:lqahoush@dominionschool.com)

Please don't hesitate to reach out to me if you have any questions or concerns.

¡Que tengan un excelente verano! Wishing you an amazing summer!
